To whom it may concern,

I am writing this letter of recommendation for Crew Edwards. I had the privilege of coaching Crew for the past two years, it is very apparent that he possesses all the skills needed to be successful both on the field and in the classroom. Crew is a very talented multi-sport athlete who is fun loving and very motivated to reach his goals. Crew is a very hard worker on and off the field and very motivated to be successful. He is an outstanding young man and will be very successful in life. I am very confident and honored to recommend Crew Edwards, knowing he will do a great job in all his future endeavors.

Thanks,
